Progress Test A - Reading

1 READING

Read the text carefully.

The Martins: two very different brothers

My name is Daniel Martin and I'm twelve years old. I've got a twin brother called Jamie. We have got short dark hair, but Jamie has got green eyes and mine are brown. We are from Bristol, but we live in Leeds with our parents and our grandmother. My mum is a nurse and my dad works in a sports shop. We've got a friendly dog called Pepper. Jamie and I are in Year 7, but we aren't in the same class. I love music and I play the guitar after school. Jamie is very sporty: he plays volleyball twice a week. On Sundays, our family likes cycling by the river. At the moment Jamie is preparing for a school sports competition and I'm learning a new song for the school concert.
